The 28th Annual Meeting of the Korean College of *Helicobacter* and Upper Gastrointestinal Research & the 3rd Seoul International Symposium on *Helicobacter* and Upper Gastrointestinal Diseases

Invitation

Dear Colleagues and Friends,

On behalf of the organizing committee, it is a great pleasure to invite you to the 28th Annual Meeting of the Korean College of *Helicobacter* and Upper Gastrointestinal Research and the 3rd Seoul International Symposium on *Helicobacter* and Upper Gastrointestinal Diseases (SI-HUG 2020) to be held from July 17th to 18th, 2020, at the Conrad Seoul Hotel, Korea.

Topics like the updates on the treatment of *H. pylori* infection, Asian forum on the *H. pylori* infection and malignant diseases, as well as clinical themes like strategies for the resistant *H. pylori* and chemopreventive strategies in upper GI cancer, will be highlighted in this symposium. SI-HUG 2020 will provide us an excellent opportunity to consider changes we can implement, to share successful experiences and to discuss the latest knowledge in the clinical areas related to *H. pylori* and upper gastrointestinal diseases with the world-famous experts.

Seoul, the capital city of Korea located at the heart of the Korean Peninsula, has always been the center of the country throughout its long history. Please join us and enjoy all the attraction this city has to offer.

We wish that SI-HUG 2020 will be the meeting place for all researchers and clinicians from Asia and other countries worldwide. All of you are welcome to Seoul and we will make you feel at home! We look forward to seeing you in July, 2020.

Sincerely yours,
